Early care and education (ECE) providers and parents work together to support the health of children. Find information about positive parenting and family engagement in ECE programs through these resources.

Early care and education providers support families

Early care and education (ECE) providers are sources of nurturing care that enable children to feel safe and protected when away from their parents. By caring for children, ECE providers help support parents who are working to provide for their family. In their role as nurturers, ECE providers often feel like part of the child’s extended family. As a trusted professional, ECE providers can engage families and provide tips on positive parenting. ECE providers and parents can work together to support and improve the learning, development, and health of children.
